

# ANNOUNCING

## ACH Network Certificate *On-Demand*

Payments professionals specializing in the ACH Network require a broad knowledge of all the various aspects of this complex payments system. This industry-level certificate includes 13 webcasts and a comprehensive exam. The program provides a more thorough explanation of the entire ACH system and provides a strong foundation for any professional who wishes to develop a level of expertise in this area.

### ***Invest In Your Career***

It pays to be proactive about your professional goals. Organizations are looking for qualified individuals who are on top of the latest industry trends. The ACH Network Certificate is a concrete way to demonstrate your value.

### ***On Your Own Schedule***

In this fast-paced world, the demands on your time are always changing. With this program, you have up-to seven weeks to complete the courses at any time that is convenient for you. Then you have three weeks to complete the test.

### ***Wherever You Want***

The On-Demand product is mobile friendly so you can complete your coursework where you feel most comfortable: at home, in a coffee shop, at work, or even on the beach.
